

# Certificate in Universal Instructional Design

## Advance your career with a Universal Instructional Design certificate

*By earning this Universal Instructional Design graduate certificate, you'll develop the skills needed to design a curriculum in different modalities, including in-person, online, and hybrid.*

### Learn how to proactively apply the Universal Design for Learning framework

In this program, you'll develop an in-depth understanding of the Universal Design for Learning Framework (UDL). UDL affords all learners equal access to content and varied opportunities to demonstrate success. By utilizing UDL principles, you'll create a learning environment that is flexible and supportive of diverse learners.

### Contribute to the success of your organization

By earning your Instructional Design certificate at Goodwin University, you'll position yourself to advance professional learning opportunities for all individuals in your organization. At Goodwin, you'll learn from educators and researchers who are experts in the science of teaching and learning. You'll collaborate with peers from various industries to gain a deeper understanding of how to apply UDL principles and strategies to your professional practice.
